Section D: Essay

When you were diagnosed with cancer you had to adjust to your new “Base” now it’s time to “Reach Your Summit!” In 250-500 words briefly describe where your new “Base”is/was and what your “Summit” will look like. We know your new base started with cancer so don’t spend much time there; we are interested in your bright future. Tell us what you expect to achieve and what motivates you to reach your summit.
